Service Charge and Tax

A 21% service charge and a 6% state sales tax are added to all Banquet and Meeting charges. Pennsylvania law states that service charges are subject to sales tax. Federal, state, and local employees are tax-exempt if they are on government business. Any other individual is not tax-exempt unless payment is made by a tax-exempt organization. A completed tax-exemption form must be presented with the signed contract.

Payment

All banquet charges, coffee breaks, meeting room rentals, and audio-visual charges will be placed on your Master Account. Any other charges will be paid for on an individual basis unless you specifically request items to be applied to your Master Account. Payment will be made (10) days prior to the function unless credit has been established to the satisfaction of the Hotel.
